

ANNUAL INFLATION ADJUSTMENT
TO MONETARY AWARD AMOUNTS

Under Section 6.9 of the Settlement Agreement, in January of each year the Special Masters may direct an inflation adjustment to the Monetary Award amounts, not to exceed 2.5%, based on consideration of the Consumer Price Index for Urban Consumers. The Special Masters have approved a 1.9% upward adjustment for Monetary Awards issued on and after January 12, 2019. Click [here](#) for a copy of the updated Monetary Award Grid values.

All Monetary Award Determination Notices issued and all Monetary Awards paid on or after January 12, 2019, will use the increased Monetary Award Grid values. If you did not receive payment by January 12, 2019, on a Notice of Monetary Award or Notice of Derivative Claimant Award previously issued, we will calculate the additional upward adjustment, add it to your Award and pay you that new Award amount (including the 1.9% increase) if and when your Award is paid. You do not need to take any action to receive this additional amount.
