1. HOW TO FILL OUT THE SUPPLEMENTAL CLAIM FORM

GENERAL INSTRUCTIONS

These instructions will take you step-by-step through the hard copy Supplemental Claim Form. It may be easier to complete this form online, which you can do by visiting the NFL Concussion Settlement website at www.nflconcussionsettlement.com and following the instructions there. If you are represented by counsel, consult with your lawyer about your responses to this Supplemental Claim Form and the requirements for a complete Claim Package.

Complete this Supplemental Claim Form only if you are a **Retired NFL Football Player** or the **Representative Claimant** of a Retired NFL Football Player who has been paid a Monetary Award and you want to apply for a **Supplemental Monetary Award** in the NFL Concussion Settlement Program. Do not use this Supplemental Claim Form if: (1) you have not previously received a Monetary Award, or (2) you are a **Derivative Claimant** of a Retired NFL Football Player and want to submit a Derivative Claimant Claim Package. There are separate Claim Forms for Monetary Awards and Derivative Claimants available on the NFL Concussion Settlement website.

Type all responses or print clearly in blue or black ink. If there is not enough space for your responses, make a copy of the applicable page, add the additional information and attach it to the completed Supplemental Claim Form. The capitalized terms in this form are defined in the Settlement Agreement, which is available at <https://nflconcussionsettlement.com/Documents.aspx> or by calling toll free 1-855-887-3485. For your convenience, there also is a glossary of select terms included at the end of these instructions.

Your Supplemental Claim Package must include:

1. This Supplemental Claim Form;
2. A Diagnosing Physician Certification Form (available on the NFL Concussion Settlement website) signed by the Qualified MAF Physician or Qualified BAP Provider who made a new Qualifying Diagnosis that is **different from** and **occurred after** the Qualifying Diagnosis for which you previously received a Monetary Award; and
3. All medical records created by or received from the Qualified MAF Physician or Qualified BAP Provider in connection with your new Qualifying Diagnosis.

You do not have to submit a new HIPAA Form or any proof of NFL Employment. **Your Claim Package must be submitted to the Claims Administrator no later than two years after the date that you received your new Qualifying Diagnosis. Failure to meet this deadline will preclude you from receiving a Supplemental Monetary Award for that new Qualifying Diagnosis unless you can: (1) show substantial hardship (beyond the Qualifying Diagnosis) that prevented your compliance; and (2) submit the Claim Package within two years of the missed deadline.**

If your claim is selected for audit, you may be required to submit additional records or information now or in the future. You are required to preserve all such additional records in your possession, custody or control and to instruct your health care providers to preserve such records that may be requested under Section 10.3(e) of the Settlement Agreement. These documents include but are not limited to historical medical records related to the underlying medical condition that is the basis for the claimed Qualifying Diagnosis. Unreasonable failure to preserve and provide all records and information requested by the Claims Administrator in connection with an audit within the time frame specified will result in the claim being denied without the right to an appeal.
