

Details of Enhancements

On 6/3/25, as part of our ongoing efforts to improve the availability of information, we created a [new page](#) containing information specifically for unrepresented Settlement Class Members. Here is the information included on the new page:

- 1. Helpful Frequently Asked Questions:** Included the most asked questions by Settlement Class Members who are not currently represented.
- 2. Link to the Appendix A Form:** Added a link to the Appendix A form, which Settlement Class Members must fill out to authorize a third party to discuss their claims information.
- 3. Request A Call:** Incorporated a way for Settlement Class Members to submit a request for the Claims Administrator to call them using the contact information they provide.
