

**UPDATE ON TRANSITION OF BAP ADMINISTRATOR**  
**DUTIES TO BROWNGREER PLC**  
**November 21, 2023**

Pursuant to the Court's 9/22/23 Order, BrownGreer has been appointed to replace Epiq as the Baseline Assessment Program ("BAP") Administrator (Doc. 12345).

Since the date of the Court's Order, law firms and claimants have continued to schedule appointments the way they were used to doing it. However, please be advised that beginning on Tuesday, **November 21, 2023**, BrownGreer will launch its BAP appointment scheduling portal and review systems to process and publish results from the BAP Neuropsychological and Neurology exams completed by the Retired NFL Football Players who elected to participate in this benefit under the Settlement Agreement. This will be a seamless transition on the portals, which will allow law firms and unrepresented NFL Players to sign BAP HIPAA forms and request BAP appointments just as they have been doing since the launch of the Settlement Program in 2017.

We will send reminders to law firms and the NFL Players about scheduled BAP appointments and provide law firms with reports to track BAP appointment requests, scheduled appointments with the BAP Providers, and the BAP exam results.

Going forward, if you have any questions about BAP administration, call the Claims Administrator at 1-855-887-3485 (option 2) or email [BAPAdministrator@NFLConcussionSettlement.com](mailto:BAPAdministrator@NFLConcussionSettlement.com) or your BrownGreer Law Firm Contact.
